MISSION STATEMENT

Amass and gate keep accurate, complete and current information for agencies to utilize in the safeguard of life and property.

VISION STATEMENT

To create an enterprising and network on information reliable with real time, accurate, and shared connectivity of managed information.

PROGRAM GOALS/OBJECTIVES

1. To provide an Information Management System, which disseminates and retrieves data covering all incidents, criminal activities, investigated by police officers and criminal investigators.

2. To collect data from all police district reports regarding all incidents and criminal activities investigated by police officers and criminal investigators. Including the number of offenses and arrests involving felony and misdemeanor cases within the jurisdiction of the Navajo Nation.

3. To provide timely and accurate data to criminal justice agency information users, to aid in prosecution, detention, and rehabilitation of offenders.

4. To maintain department records and coordinate an effective filing system, which include criminal/traffic history record, fingerprint cards, photographs, department arrests/offense/accident reports, and provide information to other criminal and non criminal justice agencies that comply with statutory requirements.
